1. **Identify the problem.** The first step is to identify the problem. This involves understanding the situation and the needs of the people involved.

An anime-style illustration of a young man and woman. The man, with light-colored hair and a gentle smile, is leaning over the woman. The woman, with dark hair, is lying down with her eyes closed and a peaceful expression. They are both wearing traditional Japanese clothing. The background is a warm, golden-brown color with a subtle pattern.

TRY TO PUT THEM
LIFE ON THE LINE, BY

"LIFE"

BE IT FOR
ANYONE OR
ANYONE

BE THE
"LIFE"

I DON'T
SEE THE
NEED TO TELL
